

MARQUETTE COUNTY TRANSIT AUTHORITY

FREEDOM OF INFORMATION ACT PROCEDURES AND GUIDELINES (THE "PROCEDURES")

I. INTRODUCTION

The Freedom of Information Act, being 1976 PA 442 (MCL 15.231 to 15.246) ("FOIA") mandates disclosure of most public records. To fulfill this mandate, the Marquette County Transit Authority (the "Authority") has established this policy and procedure for handling FOIA requests to ensure that members of the public receive full and complete information requested regarding the affairs of government, while not unduly burdening the Authority.

II. FOIA COORDINATOR

The Authority Board of Directors has designated the Executive Director to serve as the FOIA Coordinator as a duty additional to the duties of the office of Executive Director. Any questions regarding compliance with FOIA should be directed to the FOIA Coordinator. For administrative convenience, the FOIA Coordinator may designate an individual to act on his or her behalf in accepting and processing requests for the records of the Marquette County Transit Authority.

III. FOIA REQUESTS

- A. Requests for Copies of Public Records. All requests for public records (either to receive copies of such records or to inspect such records) made pursuant to FOIA shall be made in writing. In the event a written FOIA request is received by any employee of the Authority or member of the Authority Board of Directors, a copy of the request shall be provided to the FOIA Coordinator on the same day it is received. All written requests for records pursuant to FOIA shall be processed by the FOIA Coordinator.
- B. Requests to Review Records. If a request is received to review records, facilities should be made available to inspect records during the Authority's normal business hours and when the records can be reasonably made available. The person who wishes to inspect records shall submit a request form describing the requested documents prior to the Authority allowing the inspection of the records.
- C. Requests Made by Fax, E-mail or other Electronic Means. These requests shall be deemed received by the FOIA Coordinator one business day after the date the electronic transmission is made and shall be handled in the same manner as a written request in subparagraph A above. If the request is submitted by e-mail and the e-mail request is held or quarantined in the Authority's "spam" or "junk" e-mail folder (or other similar virus protection software), the request shall be deemed received one business day after the Authority first became aware of the request. The FOIA Coordinator shall maintain a written log of when the request is delivered to the "spam" or "junk" e-mail folder and when the Authority becomes aware of the request in such spam or junk folder.

D. Informal Request

1. The FOIA Coordinator or Authority staff may provide limited, readily identifiable public records without a written request in case of easily fulfilled, non-repetitive requests for information. Examples of documents which may be provided without the necessity of a written FOIA request include, but are not limited to:
 - a. For an individual: Such documents which according to law are to be made available without the necessity of a FOIA request, such as the current Authority property tax assessment roll and a property tax assessment card.
 - b. A single set of meeting minutes for a meeting held within the prior twelve (12) months which are requested by specific date.
 - c. Ordinances which are identified by specific name or number.
 - d. Similar records which can be readily provided.
2. Authority staff has the discretion to require a formal FOIA request.
3. Oral requests fulfilled under this Section 3 are not considered made under or subject to FOIA. Requesters have the option to make a written FOIA request, if so desired, in accordance with these Procedures.

IV. PROCESSING FOIA REQUESTS

The FOIA Coordinator shall maintain a log of all written requests received showing the nature and date of the request, determination of disposition, date of disposition and manner of final response to the FOIA request. Requests shall sufficiently describe the record to enable the FOIA Coordinator to identify and locate the record. Forms for utilization of FOIA procedures under these Procedures are available from the FOIA Coordinator.

- A. Time for Response. The FOIA Coordinator shall, no more than five business days after the request has been made, unless a single extension of not more than ten business days has been issued, or where the time limits have been agreed to upon in writing by the requesting person, provide one of the following responses:
1. Grant the Request. A copy of the request for a public record along with all of the requested documents shall be sent to the person who requested the records on a response for public records form.
 2. Deny the Request. The FOIA Coordinator shall sign and state the reasons for denial including an explanation of the requesting person's right to seek a non-mandatory appeal from the FOIA Coordinator's decision to the Authority Board of Directors or a judicial review of the decision with the Marquette County Circuit Court. Failure to timely respond to the request constitutes denial. Denial may be made because, among other reasons, the

record does not exist, it cannot be sufficiently identified from the description contained in the request, or the record is exempt.

3. Grant the Request in Part and Issue a Written Notice to the Requesting Person Denying Such a Request in Part. Material which is partially exempt and partially subject to disclosure shall be separated or deleted and the non-exempt material offered for copying or inspection. A general description of the separated or deleted information shall be provided to the requesting person, unless doing so would reveal the contents of the exempt information.

If the Authority issues a ten business day extension, the Authority's written response to the FOIA request shall include an estimate as to when the Authority will provide the records to the requesting person.

- B. Miscellaneous General Requirements for FOIA Requests. FOIA requests shall be handled in one or more of the following ways:

1. Provide a reasonable opportunity and facilities for inspecting and taking notes from the records for the requesting person.
 - a. Original records shall not be marked, defaced, destroyed, or otherwise altered. Any person examining public records shall bring to the examination only an erasable pencil with which to make notes or lists, etc. No pens or indelible writing instruments are allowed. No notes or writing of any kind shall be made on the documents themselves.
 - b. An Authority official or staff member (if any) must be present at all times during the inspection of Authority records if any original records are involved, to protect the records from loss, unauthorized alteration, mutilation, or destruction. In order to defray the Authority's cost of this monitoring service, a fee shall be paid to the Authority for personnel time, as provided in Section V of these Procedures.
 - c. Original records shall not be removed from the area provided for inspection and note taking. Original documents may be removed from and replaced in Authority files only by authorized Authority officials or personnel.
 - d. A requesting person may not remove records or files from the area provided for inspection unless those documents are copied specifically for the requesting person by authorized Authority officials or personnel.
 - e. The FOIA Coordinator will determine, on a case-by-case basis, whether a requesting person may inspect an original public record, or only a copy of the record. A fee may be charged for copies

made to enable public inspection of records, in accordance with Section V of these Procedures. Situations where original records are likely to require copying prior to inspection include the following:

- (1) The records include exempt information that must be redacted.
 - (2) The records are old or delicate, or contain information that could not easily be replicated.
 - (3) The records are in digital format or are part of a database not available for public inspection.
 - (4) Providing copies would be less disruptive to the performance of Authority functions than providing the necessary staffing for oversight required for inspection of original records.
- f. A person requesting to inspect Authority records must make an appointment with the FOIA Coordinator. Appointments will be scheduled during the Authority's regular business hours. The date and time of appointments for inspection will be determined by the FOIA Coordinator.
- g. The FOIA Coordinator will make reasonable efforts to allow a requesting person to inspect records for up to four hours per appointment; provided, however, that inspections will be cut short, postponed or rescheduled when necessary to avoid unreasonable interference with the Authority staff's performance of their primary functions.
2. Provide copies of records if so requested. If a fee is charged, a copy of the record shall not be released until a fee has been received or the person making the request demonstrates an inability to pay or is a recipient of public assistance as provided in Article V of these Procedures.
 3. On a request for records which are issued on a subscription basis, e.g., Authority Board of Directors meeting minutes, on six-month renewal subscription basis, a listing of the requesting person's name, address, records subscribed to, charge and expiration date of subscription shall be maintained by the FOIA Coordinator or his/her designee.
 4. Determine actual cost of mailing, duplication and search time when compiling the record in accordance with Article V of these Procedures.
 5. If a fee is charged, the person completing the request shall compute the charges and refer the completed detailed itemization of fees for providing records to the FOIA Coordinator.

6. If it is anticipated that a charge will exceed Fifty and 00/100 (\$50.00) Dollars, a good faith deposit may be collected from the requesting person prior to the Authority fulfilling the request for the records.
 - a. The deposit cannot exceed one-half of the total anticipated fee.
 - b. The Authority may require payment of a deposit equal to 100% of the estimate charge for fulfilling the requesting person's FOIA request if the requesting person previously failed to pay the total amount due from a prior FOIA request to the Authority where:
 - (1) the final fee for the prior written request was not more than 105% of the estimated fee;
 - (2) the public records made available contained the information being sought in the prior written request and are still in the Authority's possession;
 - (3) the public records were made available to the requesting person, subject to payment, within the time frame required under FOIA; ninety days have passed since the Authority notified the requesting person in writing that the public records were available for pickup or mailing;
 - (4) the requesting person is unable to show proof of prior payment to the Authority for the prior records requested; and
 - (5) the Authority calculates a detailed itemization, as required under FOIA, that is the basis for the current written request's increased estimated fee deposit.
 - c. The Authority will no longer require an increased estimated fee deposit from a requesting person if any of the following apply:
 - (1) the requesting person is able to show proof of prior payment in full to the Authority; or
 - (2) The Authority is subsequently paid in full for the applicable prior written request; or
 - (3) Three hundred sixty-five days have passed since the requesting person made the written request for which full payment was not remitted to the Authority.
7. The Executive Director shall accept the payment for services rendered and issue a receipt for the same, or, in the few instances where deferred payment is indicated, prepare an invoice and forward it to the requesting person.

8. The FOIA does not require the Authority to make a compilation, summary or report of the information.
9. In accordance with Section 4(5) of FOIA, if a requesting person requests Authority records that are publicly available on the Authority's website, the Authority will notify the requesting person of the web address and location of such records. If the requesting person requests copies of these records, notwithstanding that the records are available on the website, the Authority shall provide copies of such records and will charge for such records in accordance with Article V of these Procedures.

V. FEES AND COSTS

- A. In General. The Authority may charge the requesting person for a public record search, actual mailing costs, copying charges, and the cost to separate exempt from non-exempt records in accordance with this Article V where the failure to charge a fee would result in unreasonably high costs to the Authority because of the nature of the request in the particular instance, and the Authority specifically identifies the nature of these unreasonably high costs. It is hereby determined that devoting more than one-half hour to responding to a FOIA request will result in unreasonably high costs to the Authority, unless the cost of such search is borne by the requesting person. The Authority shall provide a written estimate of such charges (in the form attached to these Procedures as "Attachment A") to the requesting person.
 1. Cost of Duplication of Records. The Authority may charge for the labor costs directly associated with duplication or publication, including making paper copies, making digital copies, or transferring digital public records to be given to the requesting person on non-paper physical media or through the internet or other electronic means as stipulated by the requesting person.
 2. Search, Location and Examination of Records. The Authority may charge for the labor costs directly associated with searching for, locating, and examining of public records in conjunction with receiving and fulfilling a granted written request.
 3. Separating Exempt from Non-Exempt Records. The Authority may charge for the labor costs, including necessary review, if any, directly associated with the separating and deleting of exempt information from nonexempt information. The review and separation of exempt from non-exempt information may be performed by an Authority official or employee or, if necessary, outside legal counsel.
 - a. For services performed by an Authority official or employee, the Authority will charge in accordance with Article V.A.4 (below) of these Procedures.

- b. For services performed by outside legal counsel, as determined by the FOIA Coordinator on a case-by-case basis, the Authority may charge the legal counsel's time; provided, however, that such time to be charged shall not exceed an amount equal to 6 times the then-current state minimum hourly wage rate determined under Section 4 of the Workforce Opportunity Wage Act, Act 138 of the Public Acts of Michigan of 2014 ("Act 138"), as that rate may change from time to time. As of the date of adoption of these Procedures, the wage rate is \$8.15. If the rate increases under Act 138, the rate changed under these Procedures shall automatically change without action by the Authority Board of Directors or amendment of these Procedures. In charging such time for outside legal counsel, the Authority will provide notice to the requesting person of the name of the contracted person or firm in the Authority's detailed itemization of costs required by the Act. The charges for such services will be billed in increments of 15 minutes or more and all partial time increments will be rounded downward.

No charge will be made for the redaction of documents if the Authority previously redacted the public record in question and the redacted version is still in the Authority's possession.

The Authority shall itemize both the hourly wage and the number of hours charged for these costs.

4. Calculation of Labor Costs. The Authority will charge the hourly wage of its lowest-paid employee capable of performing the tasks identified in V.A.(1), (2), or (3)(a.), above, regardless of whether that person is available or who actually performs the labor. The Authority will estimate such labor charges. The labor charges will be billed in increments of 15 minutes or more and all partial time increments will be rounded downward. The Authority will itemize both the hourly wage and the number of hours charged for these costs. The Authority will include in the applicable labor charge an amount not to exceed one-half (50%) of the applicable hourly wage to cover (or partially cover) the cost of the fringe benefits (if any) for the lowest-paid employee; provided, however, that such amount shall not exceed the actual costs of the fringe benefits. Overtime charges for the applicable employee will not be charged unless the requesting person agrees in writing to pay such charges. The 50% multiplier used to account for the lowest-paid employee's fringe benefits is included in the detailed itemization of costs provided by the Authority to the requesting person.

- B. Costs for Mailing of Records. The Authority's actual cost of mailing, if any, for sending the records in a reasonably economical and justifiable manner, to the requesting person. The Authority will not send documents to the requesting person via overnight delivery service or expedited shipping (or obtain shipping

insurance on such mailing) unless the requesting person specifically requests such services in writing and agrees to pay for such costs.

- C. Copying Charges. The incremental costs of duplication or publication shall be charged at ten cents per 8 1/2" x 11" or 8 1/2" x 14" sheet of paper. The Authority may copy records using double-sided printing, if such capability is available to the Authority and cost effective for the Authority. If the public records must be sent to a commercial copy center for copying, the requesting person shall reimburse the Authority for the Authority's actual charges.
- D. Copies of Specialty Documents/Formats. The Authority has limited in-house capabilities for copying photographs, audio or videotapes, microforms, maps or plans. If a person requests that copies be made of these or large documents which must be copied off-site or reproduced in electronic means (and on an electronic storage device, such as a USB drive, CD-ROM, or other device for storage of electronic data), the FOIA Coordinator will determine and assess those costs. If an Authority official or employee is required to deliver and/or pick up the public records and/or copies of public records, the labor hours (calculated in accordance with Article V.A.(4), above), spent and applicable mileage (at the then-current IRS mileage reimbursement rate) will be applied to the requesting person's charges for the public records.
- E. Fee Waiver. The Authority may waive all or a portion of the fees for the search and copying of records if the Authority determines that a waiver or reduction of the fee is in the public interest because searching for or furnishing copies of the public record can be considered as primarily benefiting the general public. A public record search shall be made and a copy of a public record shall be furnished without charge for the first \$20.00 of the fee in case of indigence, or a non-profit agency formally designated to carry out the activities of the Developmental Disabilities Assistance and Bill of Rights Act of 2000, as provided in Section 4(2) of the Act.

VI. RECORD RETENTION

The FOIA Coordinator shall maintain all FOIA requests on file for no less than one year.

VII. EXEMPTIONS TO FOIA REQUEST

The FOIA coordinator may exempt from disclosure any records identified as exempt from disclosure in Section 13 of the FOIA. The FOIA coordinator shall exempt from disclosure:

- A. That portion of any public record disclosing a person's social security number.
- B. Information protected under the Family Educational Rights and Privacy Act of 1974.
- C. Minutes of any closed session meeting, disclosure of which is prohibited by the Open Meetings Act.

- D. Any other material, disclosure of which is prohibited by law.

VIII. APPEALS

- A. Appeal of Denial of Request. If a person's request for a public record is denied, in whole or in part, the person may file a written appeal of the decision in accordance with the following process:
 - 1. The appeal must be submitted in writing to the Authority Board of Directors, to the attention of Executive Director.
 - 2. The written appeal must specifically state the word "appeal" and identify the reason or reasons for the reversal of the denial.
 - 3. Where a written appeal is received by the Executive Director consistent with these Procedures and the Act, the Authority Board of Directors shall either: (a) place the appeal on the agenda for the next regularly scheduled meeting, to be decided within ten business days thereafter; or (b) schedule a special meeting to consider the appeal, which special meeting should be held no later than ten business days following the next regularly scheduled meeting.
 - 4. The Authority Board of Directors may deliberate and shall take one of the following actions in response to the filing of an appeal:
 - a. Reverse the denial.
 - b. Issue a written notice to requesting person affirming the denial.
 - c. Reverse the denial in part and issue a written notice to the requesting person affirming the denial in part.
 - d. Under unusual circumstances, issue a notice extending not more than ten business days the period during which the Authority Board of Directors shall respond to the written appeal. Only one written notice extending the response time is allowed.
- B. Fee Appeal. A requesting person may appeal the amount of a fee if that fee exceeds the amount permitted under these Procedures and FOIA.
 - 1. An appeal on the amount of the fee may be made to the Authority Board of Directors in accordance with the provisions of Article VIII.A., above. In the fee appeal, the requesting person must specifically include the word "appeal" and identify how the required fee exceeds the amount permitted under these Procedures or the Act.
 - 2. Notwithstanding B.1., above, and in accordance with FOIA, a requesting person may commence a civil action in the Marquette County Circuit Court for a fee reduction; provided, however that such appeal must be

filed within 45 days after receiving the notice of the required fee or a determination of an appeal to the Authority Board of Directors. If the requesting person files a fee appeal with the Circuit Court, the Authority will not complete the processing of the written request for the public record at issue until the court resolves the fee dispute.

3. Within 10 business days after receiving a written appeal under this subsection B, the Authority Board of Directors shall do one of the following:
 - a. Waive the fee.
 - b. Reduce the fee and issue a written determination to the requesting person indicating the specific basis under section 4 of FOIA and these Procedures that supports the remaining fee. The determination shall include a certification from the Executive Director, on behalf of the Authority Board of Directors, that the statements in the determination are accurate and that the reduced fee amount complies with the Procedures and Section 4 of the Act.
 - c. Uphold the fee and issue a written determination to the requesting person indicating the specific basis under Section 4 of the Act that supports the required fee. The determination shall include a certification from the Executive Director, on behalf of the Authority Board of Directors, that the statements in the determination are accurate and that the fee amount complies with the Procedures and Section 4 of the Act.
 - d. Issue a notice extending for not more than 10 business days the period during which the Authority Board of Directors must respond to the written appeal. The notice of extension shall include a detailed reason or reasons why the extension is necessary. The Authority Board of Directors shall not issue more than one notice of extension for a particular written appeal.
4. In accordance with FOIA, the Authority Board of Directors is not considered to have received a written fee appeal until the first regularly scheduled meeting of the Authority Board of Directors following submission of the written appeal.
5. In accordance with Section 4(13) of FOIA, a deposit required to be paid by the Authority is considered a "fee."

C. Civil Action. An appeal from a determination by the FOIA Coordinator or from a decision of the Authority Board of Directors may be taken to the Marquette County Circuit Court.

IX. AMENDMENTS TO PROCEDURES

The Authority Board of Directors may amend or supplement this policy, from time to time, in the Authority Board of Directors' sole discretion.

X. AVAILABILITY OF PROCEDURES; SUMMARY

A copy of these Procedures and a summary of these Procedures shall be available at the Marquette County Transit Authority office and posted on its website at www.marq-tran.com, in accordance with the FOIA.

XI. EFFECTIVE DATE

The effective date of this policy is April 20, 2017.

MARQUETTE COUNTY TRANSIT AUTHORITY
SUMMARY OF FREEDOM OF INFORMATION ACT
PROCEDURES AND GUIDELINES

The Freedom of Information Act, being 1976 PA 442 (MCL 15.231 to 15.246) ("FOIA" or the "Act") mandates disclosure of most public records. To fulfill this mandate, the Marquette County Transit Authority (the "Authority") adopted "Freedom of Information Act Procedures and Guidelines" (the "Procedures") for handling FOIA requests. This document summarizes the Authority's Procedures in accordance with FOIA.

I. Submitting a FOIA Request

You must submit a request for Authority records in writing to the Authority's FOIA Coordinator. The Executive Director has been designated by the Authority as the Authority's FOIA Coordinator. You may request either (a) to receive a copy of Authority records, or (b) to review Authority records.

You may submit the FOIA request for records in person, by mail or via electronic means (i.e., fax, e-mail or other electronic means). Requests submitted in person or by mail are deemed received as of the date of receipt. Requests submitted to the Authority via electronic means are deemed received by the FOIA Coordinator one business day after the date the electronic transmission is made.

II. Authority's Response to a FOIA Request

Once the Authority receives your FOIA request, the Authority must respond to your request within five business days, unless the Authority extends the period to respond to the request by not more than ten business days, in addition to the usual five business days.

In response to a FOIA request, the Authority may: (1) grant the request (and provide either a copy of the requested record or the opportunity to review the record, in accordance with your request); (2) deny the request if no such record exists or the record is exempt pursuant to one of the 16 exemptions under the Act that are applicable to the Authority; or (3) grant the request in part and deny the request in part.

If the Authority issues a ten business day extension to respond to the FOIA request, the Authority's written response to a FOIA request will include (1) an estimate as to when the Authority will provide the requested records to you, and (2) a detailed summary on the estimate of cost to provide the records to you.

Please note that FOIA does not require the Authority to make a compilation, summary or report of the information.

III. Reviewing Authority Records

You may request to review Authority records. If you make such a request, the Authority will make facilities available to inspect the requested records during the Authority's normal business hours and when the records can be reasonably made available. You must submit a request form describing the requested documents prior to the Authority allowing the inspection of the records.

You cannot write or take any notes on original Authority records that you are reviewing and you will only be allowed to have an erasable pencil with you to take notes. No pens or indelible writing instruments are allowed. No notes or writing of any kind shall be made on the documents. An Authority official will be present during the inspection of Authority records if original records are involved and you may be charged a fee to defray the Authority's cost of the monitoring service to protect the records from loss, unauthorized alteration, mutilation, or destruction. Original records cannot be removed from the area provided for inspection and note taking.

IV. Requesting Copies of Authority Records

You may request to receive copies of Authority records. The Authority will review the available records and provide you with copies of the records unless the records do not exist, are not in possession of the Authority, or exempt from disclosure under FOIA.

V. Calculation and Payment of Fees; Deposit

Under FOIA, the Authority may charge a fee for providing you with a copy of a public record, including labor costs, where the failure to charge a fee would result in unreasonably high costs to the Authority because of the nature of your request. If the time required to respond to a FOIA request exceeds one-half hour, the request will be deemed to result in unreasonably high costs to the Authority. Prior to responding to a request, the Authority will provide you with a written estimate of the applicable fees. The Authority may require the payment of a deposit or, in certain circumstances, waive payment of the fee altogether.

A. Calculation of Fee

The Authority may charge you a fee for searching, reviewing, redacting, copying and mailing requested records. The fee will be limited to actual mailing costs, and to the actual incremental cost of duplication or publication including labor, the cost of search, examination, review, and the deletion and separation of exempt from nonexempt information pursuant to Section 14 of FOIA. The Authority will mail the available requested records to you upon payment of the applicable fees. The fees charged by the Authority for responding to your request may include:

- a fee for the Authority's labor costs directly associated with (1) making copies (including paper or digital copies), (2) searching for, locating, and examining the requested records, and (3) for the necessary review of and separation and deletion of exempt information from nonexempt information. You will not be charged for the

redaction of documents if the Authority previously redacted the public record in question and the redacted version is still in the Authority's possession.

- the Authority's actual cost of mailing for sending the records to you. The Authority will not send documents via overnight delivery service or expedited shipping (or obtain shipping insurance on such mailing) unless you specifically request such services in writing and agree to pay for such costs.
- the cost to copy the records. The incremental cost of copying the records is ten cents per 8 1/2" x 11" or 8 1/2" x 14" sheet of paper. The Authority may copy records using double-sided printing (if available). If the Authority needs to send the records to a commercial copy center for copying, you will be charged for those costs.
- the Authority's actual costs to copy photographs, audio or videotapes, microforms, maps or plans including any costs incurred to have a third-party make such copies. If an Authority official or employee is required to deliver and/or pick up the public records and/or copies of public records, you will be charged for the labor hours (calculated in accordance with the Procedures), spent and applicable mileage (at the then-current IRS mileage reimbursement rate).

For labor costs to comply with a request, the Authority will charge the hourly wage of its lowest-paid employee capable of performing the necessary task regardless of whether that person is available or who actually performs the labor. The labor charges will be billed in increments of 15 minutes or more and all partial time increments will be rounded downward. The labor charge will include an amount equal to one-half (50%) of the applicable hourly wage to cover (or partially cover) the cost of the fringe benefits (if any) for the lowest-paid employee; provided, however, that such amount will not exceed the actual costs of the fringe benefits.

The review and separation of exempt from non-exempt information may be performed by an Authority official or employee or, if necessary, outside legal counsel. For services performed by outside legal counsel, the Authority may charge the legal counsel's time; the charge will not exceed an amount equal to six times the then-current state minimum hourly wage rate. The Authority will provide you with a notice as to the name of the contracted person or firm in the Authority's detailed itemization of costs. The charges for such services will be billed in increments of 15 minutes or more and all partial time increments will be rounded downward.

B. Fee Waiver

The Authority may waive all or a portion of the fees for the search and copying of records if the Authority determines that a waiver or reduction of the fee is in the public interest because searching for or furnishing copies of the public record can be considered as primarily benefiting the general public. A public record search shall be made and a copy of a public record shall be furnished without charge for the first \$20.00 of the fee for each request by either: (a) person submits an affidavit stating that they are indigent and receiving specific public assistance, or (b) if not receiving public assistance, stating facts showing inability to pay the cost because of indigency. If a requesting person is ineligible for a discount, the Authority shall provide written

notice of ineligibility and the reasons for ineligibility in the Authority's response to the FOIA request.

Under the Procedures, you may be ineligible for a fee reduction or waiver if: (a) you previously received discounted copies of public records from the Authority twice during the calendar year; (b) you are making the records request in conjunction with outside parties who are offering or providing payment or other remuneration to you to make the request; or (c) you are a specific type of nonprofit corporation (as provided in FOIA and the Procedures).

C. Deposit

If it is anticipated that a charge will exceed Fifty and 00/100 (\$50.00) Dollars, you may be required to pay a good faith deposit prior to the Authority fulfilling the request for the records, but the deposit will not exceed one-half of the total anticipated fee. In certain circumstances, the Authority may require payment of a deposit equal to 100% of the estimate charge for fulfilling your request for records, if you previously failed to pay the total amount due from a prior FOIA request to the Authority.

VI. Rights to Appeal

You can appeal decisions made with respect to the records that you requested, if the request was denied or denied in part, or the amount of the calculated fee for responding to your request. An appeal from a determination by the FOIA Coordinator or from a decision of the Authority Board of Directors may be taken to the Marquette County Circuit Court.

A. Appeal of Denial of Records (in whole or in part)

You have the right to submit to the Authority Board of Directors, a written appeal that specifically states the word "appeal" and identifies the reason or reasons that you assert in support of reversal of the failure of disclosure of the public records that were not disclosed. In the alternative, you have the right to seek judicial review of the denial or nondisclosure.

Under Section 10 of FOIA, you have the right to receive attorney fees and damages, if, after judicial review, the Marquette County Circuit Court determines that the Authority has not complied with Section 5 of FOIA and that the court orders disclosure of all or a portion of a public record that had not been disclosed to you by the Authority.

B. Appeal of Calculation of Fee

A requesting person may appeal the amount of a fee to the Authority Board of Directors or the Marquette County Circuit Court if that fee exceeds the amount permitted under these Procedures and FOIA.

An appeal on the amount of the fee to the Authority Board of Directors must specifically include the word "appeal" and identify how the required fee exceeds the amount permitted under the Procedures or the Act.

If you, the requesting person, files a fee appeal with the Circuit Court, the Authority will not complete the processing of the written request for the public record at issue until the court resolves the fee dispute.

Within 10 business days after receiving a written appeal of the fee, the Authority Board of Directors is required to: (1) Waive the fee; or (2) reduce the fee and provide written notice as to the basis for the remaining fee; or (3) uphold the fee and provide written notice as to the basis for the fee; or (4) issue a notice extending for not more than 10 business days the period during which the Authority Board of Directors must respond to the appeal (the notice will include a detailed reason or reasons why the extension is necessary).

Any appeal will be deemed received as of the date of the first regularly scheduled meeting of the Authority Board of Directors following submission of the written appeal.

A deposit required to be paid by the Authority is considered a "fee."

VII. Additional Information; Revisions to Summary and Procedures

Additional information may be found in the Authority's Procedures, which may be obtained from the Authority at 1325 Commerce Drive, Marquette, Michigan 49855, at no charge.

This Summary and the Procedures may also be found on the Authority's website at: www.marq-tran.com.
